CORRECTION: ADI 2024 - Abstract notification

Dear Han-Kuan Bai,

Thank you for your abstract submission to the 36th Global Conference of Alzheimer's Disease International. We were overwhelmed by the quality and content of this years abstracts and are excited to see the formation of what promises to be a rich and insightful programme.

I can confirm that you have been accepted for an **oral virtual presentation** at the 36th Global Conference of Alzheimer's Disease International. You may have received an additional email stating that you have been accepted for a **poster presentation - this was sent in error.**

As a hybrid event, we will host both live in-person and pre-recorded virtual sessions, in the main shaped by your indicated preferences. We will be in touch soon to confirm the time and date of your session recording.

You can log into view your submission at any time by following this link <https://app.oxfordabstracts.com/dashboard/events/4724> and logging in with the email address linked to the abstract hankuanbai@gmail.com

We apologise for the confusion and look forward to seeing your virtual presentations in April.

Alzheimer's Disease International
